

Copyright Notice

For your internet security as well as the preservation of Christopher David Photography, please note the following:

Due to the very high occurrence of internet theft of photography, notification of ownership is paramount. All images are copyright Christopher David owner/artist of Christopher David Photography. All images in this collection are registered with the Library of Congress once a year. It is the expectation that any and all photographs shared via the internet (Facebook, Twitter, Instagram, Pinterest, etc) shall retain the modest watermark found on the "Social Media" files.

You are licensed to use this image(s) for the purposes for which it was intended.

Thank you in advance!

Christopher David
